

RUN/WALK for UGANDA

On May 16th, I will run/walk a 5K to raise funds for The Pregnancy Crisis Center in Jinja Uganda, sponsored through Global Outreach. It is a home for teenage girls from the streets of Uganda and those with HIV. They can come this home have their babies, and receive medical services as well learn a trade so they can become employable.

Would you support this cause by sponsoring me for this run/walk. **Any donations \$25 and up will receive a t-shirt.** Thank you!
